

Feeding Solutions

Challenges: Staffing issues, uncertainty, social distancing, product shortages, supply chain issues, site shut-downs, natural disaster, limited time for meal service, sanitary concerns, limited storage space

Solutions: ES Foods Prepackaged Meals

- ◆ Take the guesswork out of portion sizes
- ◆ Minimize food waste
- ◆ Minimal prep work – just thaw & serve, heat & serve or simply serve as is
- ◆ No hold up at the register or POS, offer vs. served is covered
- ◆ Eliminate long lines with quick, easy, by creating simple choices to simplify your meal service... Simply Grab & Go!

Shelf Stable, Thaw & Serve and Heat & Serve complete meals provide an easy answer for feeding children.

Meal Breaks and Simple Choice Meals make it easy to set up express lines, or satellite feeding sites throughout your schools.

E S Foods has a wide variety of options to cover multiple day part menu needs:

Breakfast Breaks – Shelf Stable and Thaw & Serve breakfast meals. Just add milk for a reimbursable meal.

Meal Breaks – Shelf Stable, Thaw & Serve and Heat & Serve options. All meals provide protein, a fruit and/or vegetable serving and whole grains. Just add milk for reimbursable meal.

Simple Choice Meals – Shelf Stable, Thaw & Serve and refrigerated options. Ideal for Offer vs Serve (OVS), as each meal includes 3 of 5 components required for a fully reimbursable meal. Offer the additional required fruit and/or vegetable plus milk to complete the meal.
